

- After Von Strade "AD" - Lights dim & rise
DSC where all step forward & flank
The Emperor, who walks up the center stairs
His guards, who remain at bottom, Intro Mozart

(Note they have brought their chairs with them and sit when instructed)

- Joseph does not sit but rather paces, attempting as it were to teach his wayward Pup.
- at end of p. 116, Mozart's short monologue, he steps down and crosses to the Opera Stage as he's talking.
- As he reaches it, Lights dim on DSC and rise on deck stage - all opera performers join him
